

**SNAP-158**

Snap-In Hangers, 1-5/8", stainless steel (kit of 10)

Stackable hangers from RFS Technologies are designed for quick and secure installation of 1/2-, 7/8-, 1-1/4- and 1-5/8-inch foam dielectric cable. These one-piece stainless steel hangers save installation time and cost. The hangers, requiring no tools, are easily installed by hand. Robust construction securely locks the cable in place while allowing for additional cable runs to be stacked up to three deep. The hangers ensure positive attachment to 19 mm (3/4") pre-drilled mounting surfaces and easily combine with RFS Technologies angle adapters, ANGLE-UI (with 3/8" insert) or ANGLE-U, to mount to angle members on the tower.

FEATURES / BENEFITS**Technical features****GENERAL SPECIFICATIONS**

Product Line		Coaxial Cable Accessories Hybrid Cable Accessories
Product Type		Hanger
Hanger Type		Snap-in
Transmission Line Type		LCF158 HB158
Cable Type		Coaxial Foam Dielectric Hybrid

MECHANICAL SPECIFICATIONS

Cable Size		1-5/8
Material		Stainless Steel
